E2060SWDA

20-inch LED Monitor with User-Friendly and Eco-Friendly Features

AOC's e2060Swda offers stunning image quality at 1600 x 900 resolution, while providing features that benefits you. Not only is the monitor eco-friendly and Energy-Star certified, the user-friendly features meets your needs when it comes to power consumption configuration and viewing conditions. The Kensington Security Slot also provides added anti-theft security.

Key Features

- 19.5" viewable image and 16:9 aspect ratio
- 1600 x 900 maximum resolution at 60Hz
- Two 2-watt built-in speakers
- User-friendly On Screen Display menu
- Screen+ software for dividing screen into four self-contained work areas
- Kensington Security Slot

Stunning image quality

AOC's e2060Swda boasts high quality 1600 x 900 resolution at 60Hz, with 16:9 aspect ratio and an impressive 20,000,000:1 dynamic contrast ratio, revealing darker image areas in greater depth. The monitor has a 19.5" viewable image with a slim design for space efficiency. With a response time of 5ms, you can watch videos or play games without missing a beat.

Features you will appreciate

The e2060Swda comes with a VGA and DVI-D with HDCP inputs for your connections, two 2-watt speakers, as well as a Kensington Security Slot for anti-theft. The VESA 100mm Wall Mount compliant feature allows you to have the e2060Swda mounted on the wall with the appropriate mounting accessory. The iMenu software allows you to access the user-friendly On Screen Display menu with the mouse.

A monitor that is eco-friendly

The e2060Swda is Energy-Star certified, with Eco-mode that gives you 5 display settings (text, internet, game, movie, and sport) to meeting your different viewing conditions. The e-Saver software enables you to set a low power configuration for the monitor's on/off, in sleep, or screen saver modes. You can choose the time to turn the monitor off so as to reduce power consumption.
