

AOC Monitors  
LCD monitor with  
screen-splitter

**UltraWide 21:9**  
29", 2560 x 1080

**Q2963PM**

## Take your work and entertainment experience to the next level

AOC's Q2963PM greatly enhances your productivity and experience; work and leisure won't be the same with features like the ultrawide cinematic screen, screen-splitter function, and dual link-up. Whether it's for viewing multiple documents, a more immersive movie and gaming experience, or multitasking simplicity, the 29" Ultrawide 21:9 screen monitor gives you what you need.

### Key Features

- Panoramic screen with screen-splitter function for multitasking ease
- Cinematic Screen with 21:9 Aspect Ratio
- WHFD 2560 x 1080 resolution @60Hz
- PBP or PIP multitasking function for enjoying an image from two sources at once
- Multimedia connectors for VGA, DVI-D with HDCP, HDMI (MHL), DisplayPort
- Mobile High-Definition Link (MHL) to connect and charge the phone
- IPS Panel with full HD 1080P Resolution and an LED backlit screen

# AOC

### See More

The AOC 29" UltraWide features an LED Backlit screen that offers brilliant color and ultra-clear images. The full HD 1080P Resolution, with 50,000,000:1 contrast ratio and response time of 6ms, creates superior picture sharpness and the In Plane Switching (IPS) Panel allows you to view your spreadsheets or weekend movies from virtually any angle without compromising color uniformity.

### Connect More

The AOC 29" UltraWide's connectivity is ultra-useful. The HDMI Connections carry high definition picture and sound in one easy cable. The HDMI with MHL allow you to connect your smartphone easily without a network connection. You can stream videos from your phone on to the monitor screen while charging your mobile device at the same time.

### Do More

The UltraWide is available for multiple full sized applications as an upgrade to dual monitor settings. Enjoy dual monitor productivity on a single screen. The vast panoramic screen is easy on the eyes, and with the screen-splitter function, multitasking has never been so simple.

The PIP/PBP Hardware Calibration Ready (Dual Link Up) allow two devices to be viewed on the monitor simultaneously.

### Experience More

The AOC 29" UltraWide screen and equipped dual 3 Watt enclosed speakers deliver a more awesome immersive experience for your favorite movies or games. The narrow bezel frame offers a sleek cinema-like screen experience.

The DisplayPort connection allows you to connect several monitors to your notebook with one simple cable.

### Save More

The AOC 29" UltraWide is EnergyStar qualified, which means it uses about 30% less energy than standard units. Plus, it has no arsenic in the glass, mercury-free LED, and no BFR/PVC Laminates. It also qualifies for the latest standards such as TCO.

## Q2963PM Specifications

<b>Cabinet Color</b>	Titanium
<b>Panel</b>	TFT Active Matrix LCD, LED Backlight, IPS Panel 29" Wide, 21:9 Aspect Ratio 29" Viewable Image Size, Diagonal
