

# 32" (31.5" viewable) Full HD 1080p Projected Capacitive Touch Monitor

Intuitive 10-Point Touch Design

TD3240

The ViewSonic® TD3240 is an ideal solution for businesses seeking the ultimate in interactive displays and digital signage. With an intuitive 10-point touch display and Full HD resolution, the TD3240 is a versatile solution for use in high-traffic areas such as high-end retail centers, transportation hubs, classrooms, or anywhere else that would benefit from touch applications. The TD3240 is Windows® 8 certified and features projected capacitive 10-point touch technology that provides a direct and interactive experience to attract and engage users. Equipped with 1920x1080 Full HD resolution, IPS panel technology, and a 3000:1 contrast ratio, the TD3240 delivers stunning color performance and image quality. As a complete multimedia package, the display also includes a pair of integrated 10-watt speakers with SRS® Premium Sound. VGA, DVI and DisplayPort (via included DVI to DP adapter) inputs provide flexible and convenient connectivity, while a VESA-mountable design offers additional convenience for use as a wall-mounted interactive poster. The versatile TD3240 provides a dynamic gateway to a new world of interactivity.

## Dynamic Gateway to a New World of Interactivity

With its large 32" (31.5" viewable) display area and flexible mounting capabilities, the TD3240 is a perfect business platform for customer interaction. ViewSonic's TD3240 display can be used in commercial touch applications such as digital signage, interactive kiosks and information booths, or as an educational tool for enhanced learning experiences and increased student collaboration.

## Projected Capacitive 10-Point Touch Technology

Projected capacitive is one of the leading touch technologies available and is widely utilized by mobile devices such as smartphones and tablets.

ViewSonic's TD3240 is a best-in-class display, offering a highly accurate and ultra-responsive touch experience. With its 10-point touch technology and a durable, scratch-resistant surface, the TD3240 also provides outstanding collaborative capabilities in public environments as well as classroom settings.

## Outstanding Multi-Media Performance, As Expected

The TD3240 has everything you expect from a ViewSonic display—delivering stunning clarity and color performance with full HD resolution, IPS panel technology, and 3000:1 contrast ratios. The TD3240 is also a complete multimedia package with 6.5ms response time and a pair of integrated 10W speakers with SRS Premium Sound.

## Versatile Connectivity

The TD3240 includes DVI and VGA connectivity, as well as COM in/out options. ViewSonic also provides a DVI to DisplayPort adapter to enhance connectivity options.

## Customization as You Prefer

The TD3240 can be mounted to suit your commercial needs. As such, an optional stand is available for upright positioning, and an optional wired remote control is available if you choose to mount the display on the wall or other hard-to-reach location.

## Peace of Mind

Our industry-leading pixel performance guarantee, and our 3-year limited warranty, makes ViewSonic a market leader in commitment to quality. ViewSonic is dedicated to using the highest grade panels and offers solid and reliable products.

## Optional Accessories

VESA® Wall Mount Kit ..... WMK-013  
 Display Stand ..... PL-0009138
